The Avantgarde Minibus isn't just transport – it's executive travel redefined.

Built on a Mercedes-Benz Sprinter chassis, it delivers a premium passenger experience with diamond-stitched reclining seats, generous legroom, and USB charging at every seat, ensuring comfort and connectivity on every journey.

With panoramic glazing, ambient LED lighting, and powerful dual air conditioning systems, it creates a quiet, spacious, and first-class cabin environment that passengers genuinely enjoy travelling in all year round.
